### FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

**Background**

1. 28 Texas Administrative Code §133.307 sets out the procedures for medical fee dispute resolution.
2. 28 Texas Administrative Code §134.130 sets out the procedures for Interest for Late Payment on Medical Bills and Refunds.
3. Texas Labor Code §413.019 sets out procedures for Interest Earned for Delayed Payment, Refund, or Overpayment regarding medical services and fees.
4. Texas Labor Code §401.023 sets out procedures for computation of Interest or Discount Rate.

**Issues**

1. Did the insurance carrier issue payment for the disputed charges?
2. What is the date the insurance carrier received the medical bill?
3. What is the interest due per 28 Texas Administrative Code §134.130?
4. Is the requestor entitled to additional reimbursement?

## **Findings**

1. The requestor billed the amount of \$800.00 for CPT code(s) 99546-WP x 2, rendered on June 12, 2015. The Requestor seeks additional reimbursement in the amount of \$150.00. Review of the submitted documentation supports that the insurance carrier issued a payment totaling \$150.00. The requestor in correspondence to the Division confirmed receipt of the payment for the disputed service, however seeks payment for the interest not reimbursed by the insurance carrier.
2. The requestor alleges that interest is due for the service in dispute. Pursuant to 28 Texas Administrative Code §134.130(a) "Insurance carriers shall pay interest on medical bills paid on or after the 60<sup>th</sup> day after the insurance carrier originally received the complete medical bill, in accordance with §133.240 of this title (relating to Medical Payment and Denials). Review of the submitted documentation (EOBs) establishes that June 23, 2015 is the receipt date of the medical bill. The Division, therefore concludes that the date the carrier originally received the complete medical bill is June 23, 2015. The Division finds that the requestor is entitled to reimbursement for the interest and interest is determined pursuant to 28 Texas Administrative Code §134.130(c) & (d).
3. 28 Texas Administrative Code §134.130(c) states, "The rate of interest to be paid shall be the rate calculated in accordance with Labor Code §401.023 and in effect on the date the payment was made."  
28 Texas Administrative Code §134.130 "(d) Interest shall be calculated as follows: (1) multiply the rate of interest by the amount on which interest is due (to determine the annual amount of interest); (2) divide the annual amount of interest by 365 (to determine the daily interest amount); then (3) multiply the daily interest amount by the number of days of interest to which the recipient is entitled under subsection (a) or (b) of this section.  
28 Texas Administrative Code §134.130 "(e) The percentage of interest for each quarter may be obtained by accessing the Texas Department of Insurance's website, [www.tdi.state.tx.us](http://www.tdi.state.tx.us)." The Division finds that the percentage rate for this quarter is 4.14%.
4. The respondent reimbursed the requestor the amount of \$150.00 for disputed services. In accordance with 28 Texas Administrative Code §134.130, the amount due for interest is \$4.03. Therefore, an amount of \$4.03 is recommended.

## **Conclusion**

For the reasons stated above, the Division finds that the requestor has established that reimbursement for the interest is due. As a result, the amount ordered is \$4.03.

## ***ORDER***

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code Sections 413.031 and 413.019 (if applicable), the Division has determined that the requestor is entitled to additional reimbursement for the disputed interest amount. The Division hereby ORDERS the respondent to remit to the requestor the interest amount of \$4.03 per 28 Texas Administrative Code §134.130, due within 30 days of receipt of this Order.
